Dear Parents and Caregivers,

We welcome two new students and their families this week. Scarlett has joined Rm 7 and Eden has joined Room 1.

TAPAIRU HUB—FLYING HIGH

On Tuesday 5th December Tapairu Hub will be using their portion of the Whanau & Friends donation to school camps/activities for their treat day. They will be heading down to Coronation Park to have a fun filled Flying Day. They will be leaving school at 9.15am. All children will be making their own kites and paper planes to take along with them. Each child will receive a special flying spinner to play with and take home.

After their fun at Coronation Park they will head to Nelly Jull Park for a play and a Teddy Bears Picnic for lunch. Weather permitting we hope to have a bit of water fun back at school under the sprinklers. Each child in Tapairu Hub has been given a notice of what to bring. We do require some parent help with supervision for the day if you are available please indicate on the slip at the bottom of the notice.

Public Meeting regarding

Waipawa Centennial Memorial Pool

Thursday 23rd Nov Poolside @ 5.30pm

While preparing the Pool for repainting for the 2017-18 season significant cracks in the pool walls and floor have been uncovered.

A large unbudgeted amount of work is required to repair.

CHB Council is committed to creating a long-term solution for the pool, they realise that continuing patch-ups of the pool is not a good use of rate-payer money. If you want to hear more, or give some feedback on your ideas on how Council may open the Waipawa Pool this summer or how we can ensure access to a pool over summer, come along to the meeting.

Please support our school by attending the meeting.
